

Dennistoun Library User Guide

The aim of this guide is to support children, young people and adults with autism to access the venue and the services it offers.

Welcome to Dennistoun Library

On entering the library walk to the end of the corridor, turn right into the library and you will find the information desk.

Sometimes there might not be a member of staff at the desk but if help is needed, someone will come to help as soon as they can.

A member of library staff will be wearing a badge like this and will be able to help you.

To take out books you will need a library card. To get a library card you need to bring something with your name and address on it to the library. You will also need to fill in this form. Staff will be able to help you.

This is the quiet area. This can be found to the right of the information desk.

There are also toilets that can be used when at the library and can be used by anyone visiting.

These toilets are found at the right of the library. Ask a member of staff for the key to use the toilet.

You can use the self-issue terminal to borrow books. Library staff can show you how to use it.
